

# Bunny Buddies

DEDICATED TO THE HEALTH AND WELFARE OF HOUSTON-AREA RABBITS

## Adoption Application

Bunny Buddies is a 501(c)(3) non-profit volunteer organization dedicated to the health and welfare of domestic rabbits. All of our bunnies are spayed or neutered upon or prior to adoption. If we are aware of any long-term medical concerns which might require additional care, the rabbit is adoptable as a "special needs" bunny.

Bunny Buddies cares deeply about the well being of the animals in our foster care. This concern continues even after the bunny goes to his or her new home. We love to receive follow-up stories and photos of our former fosters. And, if—for any reason—the adoption isn't satisfactory, we will gladly accept the bunny back into our care.
